

Photograph Specifications to be affixed on Visa form

Applicants, submit your Application form with the new photo format, as explained below.

Sample Photograph**General**

- The photograph for each visa applicant must be an unmounted, full face photo, as described below
- The photograph must have been taken within the last six months.
- One extra (1) photograph must be submitted stapled or glued to the application form

Photo Size

The photo for each visa applicant submitted must measure:

- 3.5 cms x 4.5 cms with the head centred in the frame.
- The head (measured from the top of the hair to the bottom of the chin) should measure 3.6 cms.

Photo Appearance

- The photograph must be a full-face front view in which the visa applicant is facing the camera directly.
- The photograph **MUST** be in color and have only a white or light background. Photos with dark, busy, or patterned backgrounds will not be accepted.
- In general, the applicant's head, including both face and hair, should be shown from the crown of the head to the tip of the chin on top and bottom and from hairline side-to-side. It is preferable that ears be exposed
- Sunglasses or other wear, which detracts from the face, are not acceptable unless required for medical reasons (an eye patch, for example).
- A photograph depicting a person wearing a traditional facemask or veil that does not permit adequate identification is not acceptable.

Attaching the Photo to the Application form

- Staple or glue one photograph to the application form in the designated space. If the photograph is stapled, staples should be placed as far away as possible from the applicant's face

Note: Please follow these instructions carefully. If photographs presented do not meet these requirements your application will be considered incomplete.
